

The **Ocean Manifesto 2023 International Ocean Calendar** is ready for sale! Calendars are \$20 and all proceeds go to the Kashia Youth Cultural Fund that is aimed at strengthening relations and promoting intergenerational knowledge among Kashia youth and Kashia elders and cultural knowledge holders. Contact the Tribal Office for purchase. A link to purchase is available on the Tribal Website.

*"The sea means life in the place where I live. It is essential..."*

"I feel admiration towards the Sea for the great amount of things in which it helps".  
Dominique Uribe, age 11. Hualaihué, Chile.

*"The Ocean is special and we need to take care of it. We try to keep it clean and pick up all the trash we see..."*
