# Affect change in a good way for Native American education

The Windsor Unified School District (WUSD) is excited to invite leadership level participants to the *Going Beyond Land Acknowledgement* training and workshop. This collaborative effort is facilitated by Redbud Resource Group, in cooperation with the Windsor Unified School District. This training and strategic planning workshop seeks to strengthen relationships with Native American communities and create positive educational outcomes within WUSD.

**DATE & TIME:**

February 13, 2025  
9am to 3pm

**TRAINING LEVEL:**

Leadership

**LOCATION:**

Windsor High School  
Counseling Department  
8695 Windsor Rd, Windsor

**HOURS:**

6

**Register by Feb 3, 2025**

**OBJECTIVES:**

1. Provide Indigenous perspectives, WUSD perspectives, history and legislation.
2. Discuss the strengths and challenges facing Indigenous communities and education goals.
3. Data analysis and case study application.
4. Define planning tools for understanding effective ways to support education, wellness, and community outcomes across all grade levels.
5. Engage in cooperative efforts focused on identifying structural models, implementation, and systematic support.
6. Afford opportunity to better understand and develop relationships with local tribes to foster common education goals.
7. Define follow up support to engage with actionable items.

**TARGET AUDIENCE:**

- Tribal leadership
- Tribal education specialists and/or youth coordinators
- WUSD superintendent and leadership staff
- WUSD board of trustees
